USEFUL SERVICE.

HONGKONG RADIO OFFICE

LITTLE KNOWN FACTS.

HOW THE PUBLIC MAY USE
D'AGUILAR.

Despite some developments
that have been made in wireless,
it is doubtful if many people in
Hongkong know how they may
make use of the advantages of
radio.

If business firms need to com-
municate with a ship respecting
cargo, if private individuals wish
to send a message to anyone on
board, if anyone on board wishes
to communicate with friends in
Hongkong, they can do so within
a guaranteed distance of 350
miles, which is the normal working
radius of D'Aguilar, although
considerably further distances are
attained under good conditions.

The price is not the same in all
cases owing to variance in the
ship's charge, in respect of the
nationality and type of vessel.

The charge for the use of the
station here is 30 cents a word
and taking an average ship
charge, the total cost may be said
to be 50 cents a word.

All that the public has to do is
to fill in a form at the Radio
counter at the Post Office or, if
that is closed, to go to the third
floor of the Post Office to the
Radio Office which is open night
and day. Communication with
D'Aguilar is maintained by land
lines.

Although radio is a reserve means
of communication, the service
which the Radio Office has with
Ind-China, Canton and Yunnan-fu
may be used by the public and in
some cases is cheaper and
quicker.

As regards passengers on boats
within reasonable distance of Hong-
kong, D'Aguilar enables them to
communicate with any part of the
world, for a message received here
in this way is passed on by the
telegraphic companies.

A branch of the Radio Office
service was not used as fully
as it would exist if it were
generally known that concerned
with the passing of Waglan
Rock by incoming ships.

Awaiting a ship on the wharf
some hours, it actually ar-
rives at business, but it
is often necessary to give a
certain amount of time of the time
of arrival for payment of 20
cents at the counter of the
Post Office. The radio is entitled
to be informed by passenger or tele-
phone when it passes Waglan
Rock, allowing three
hours in the case of Waglan
Rock and one hour for
anyone else. Friends may
wait at the wharf and will be met
without any trouble.

Whilst anchored in the stream
at Canton on Saturday evening,
the Steamboat Co.'s.s.s. "Kinsan"
was fired at by river pickets who
endeavoured to intercept sampans
with fish.

Hitherto the pickets had re-
frained from firing when in
range of the river steamers. The
"Kinsan's" woodwork shows
marks of where the bullets struck
ostensibly after missing the
sampans breaking through the
strikers' cordon.

WATER SUPPLY.

"RUMOURS" OF FURTHER
RESTRICTION.

THE PRESENT POSITION.

Those who obtain their supply
of fresh water from the river
mainly will be interested to hear
that no official communication has
yet been made regarding the
rumoured further restriction of

Chinese residents—who cannot
say where their information
originated—predicted that after
the service from the river
main—of two hours a day—
would be shut off, and that re-
course would have to be made to
the street fountains.

The "China Mail" learns that
such a step is unlikely to be made
until after China New Year
(February 18), providing, of
course, that there is no unexpected
heavy rain to improve the present
position and thereby relieve
the shortage.

It is winds, strong, generally
overcast, some drizzle or mist in
the forecast for the twelve hours
today, and a strong wind from
the north.

CAT BURGLARS.

NIGHT PROWLERS
GAUHT.

HEIGHT OF EFFRONTERY.

With the near approach of
Chinese New Year, the activities
of cat burglars were shewn in
two cases which came up at the
Central Magistracy this morning.

A young Chinese, who desired a
change from his business of bot-
tling, picked crabs, was one of
the offenders. He had applied for
position as a police recruit, and
was to have been given a trial.

Pending his appointment he had
scaled a drain pipe at a Queen's
Road dentist's shop during night
time and appropriated four articles
of clothing. Wearing a new over-
coat included in the "swag" and
trying to fraternise with the de-
tectives, he was suspected and put
through a search. Pawn tickets
for the other stolen clothing were
found in his pocket.

With a crestfallen air, the offend-
er awaited a sentence of four
months' hard labour imposed by
the Magistrate.

The story of a chase in the
area near "Paddy's Market" was
given in evidence before Major C.
Willson when another offender
was caught without accomplishing
his object. Started by a tap at
the door of a house which he
entered last night, the thief was
noticed by an Indian constable to
be scaling a wall. His attempted
escape by jumping into a court-
yard failed, as two other constables
kept on his heels and caught him.

In this case the sentence was
three months' hard labour.

SHIPS IN CANTON.

FRENCH SHIP REPORTED
DETAINED.

KINSHAN FIRED AT.

The French steamer "Linchow"
is reported to have been
detained (according to a cable to
the "Wah Tsz Yat Po") at Canton,
while on a trip there from
Haiphong. No details have been given.

The "Linchow" was once a reg-
ular caller at Hongkong but has
not been here for some time. She
is of 1,416 tons (registered) and
was built in Hamburg in 1894.
Formerly she was known as the
"Songma" and the "Theika
Boilen."

Whilst anchored in the stream
at Canton on Saturday evening,
the Steamboat Co.'s.s.s. "Kinsan"

KOWLOON FIGHTING.

POLICE ATTACKED BY
A MOB.

LAST NIGHT'S SCENE.

Frequently the scene of disorder
among lawless characters
who have their headquarters
in Canton Road provided a scrap
between the police and a hostile
crowd of Chinese last night.
Stones and other missiles were
freely used in the attack on the
police, who in turn tried to defend
themselves with revolvers.

Organised gambling is in a flour-
ishing state among the inhabitants
in this area. Only recently
the police broke up a gambling
party which was doing business
with a Chinese orchestra in attend-
ance, and several convictions
resulted in the Kowloon Court.

The affray which took place at
9 p.m. yesterday was the outcome
of a similar raid carried out by
Detective Sub-Inspector Andrew
assisted by five Chinese detectives.
The gamblers were surrounded in
the ground floor of a house.
Fifteen were arrested and
a sum of \$15.20 was taken to-
gether with other evidence.

POLICE ATTACKED.

The prisoners, all handcuffed,
were taken to the street. Here
the police encountered a hostile
mob numbering about 300 Chinese
who made a sudden onslaught and
rescued thirteen of the arrested
persons. The police were out-
numbered and were obliged to re-
treat. Three detectives were
struck by missiles; Sub-Inspector
Andrew was also hit by a stone
in the shin. The police had to
make judicious use of their revolvers.

A rebounding bullet
wounded a Chinese who was later
picked up and sent to the
hospital.

COURT SEQUEL.

The two men who were not
rescued by the mob were charged
before Mr. R. P. Hamilton, the
Kowloon Magistrate, the morning
of being concerned in the gam-
bling. Evidence of the raid was
given by Sub-Inspector Andrew
and each man was fined \$25.

A WEE DRAPPIE.

TEMPTING POWER OVER
A COOLIE.

Stealing a bottle of whisky
from the s.s. "Fulda" after breaking
a case, a cargo coolie swallowed
half of it and was caught when
he was getting away with the
bottle under his arm.

Mr. R. A. D. Forrest, who had
the offender before him at the
Kowloon Magistracy this morning,
accepted counsel's plea that there
was temptation and bound the
man over.

RABIES DANGER.

COOLIE BITTEN BY A
DOG.

A Chinese employed as a street
lamp-lighter was taken to the
Government Civil Hospital yester-
day suffering from a dog bite.
The animal belonging to Mr.
Ting-pui, of 16, Queen's Road
Central, was a mongrel, imme-
diately attacking the coolie when
he was passing by.

WEDDING BELLS.

SATURDAY'S CATHEDRAL CEREMONY.

CHITTENDEN-BROOK.

A pretty wedding, particularly interesting to the Naval Yard community, among whom, and outside, the young bride and bridegroom have many friends, took place at St. John's Cathedral on Saturday afternoon.

The parties were Miss Gladys Brock, daughter of Mr. and Mrs. A. J. J. Brock; and Mr. Victor H. W. Chittenden, son of Mr. and Mrs. J. H. Chittenden, Rochester, England.

The Rev. G. H. Hawtin officiated.

The bride, who entered the church on the arm of her father, looked charming in a dress of white chameuse, trimmed with silk lace and pearls, with train to match; a beautiful Brussels lace veil lent by Mrs. Foster Turner; orange blossoms and pearl coronet. Her bouquet consisted of a shower of white roses.

Of the bridesmaids, Miss H. Sully and Miss D. Spanton were pretty dresses of blue taffeta and Miss Ida Dunnnett and Miss Vivian Hollidge looked equally as attractive in chagne and mauve taffeta respectively. The former two carried crooks trimmed with silver ribbon and sweet pea and the latter, baskets and posies of sweet peas. Their head dress consisted of net and georgette caps to match.

The bride's mother's dress, was of cinnamon brown with hat to match and she carried a tea roses bouquet.

Mr. R. R. Davies was best man. Mr. Mason, at the organ, played suitable music.

SCHOOL PRIZES.

SATURDAY'S INTERESTING CEREMONY.

FOUR SCHOOLS' WORK.

There are four schools in the Colony—situated at Shaukiwan, Wan-chau, Shamshui-poo and Yau-mat—conducted by the Sisters of the Precious Blood.

These schools are attended in all by not less than 250 Chinese children. Sixty-nine of these pupils received rewards on Saturday afternoon for diligent work last year. Mr. Y. P. Law, B.A., Inspector of Schools, presenting them with prizes in the hall of the Catholic Men's Society, Canine Road.

Mr. Wu, whose speech was on much the same lines as the statement issued by the Canton Government last week, sought to acquit the Canton Government of responsibility for the prolonging of the boycott. "Our Government had nothing to do with the strike which the Chinese workers at Hongkong started as a demonstration of protest against the British people in China and the British Government of which the Hongkong Government is a part."

When the first indications of a strike settlement were mooted, our Government made it clear that if the Hongkong Government was desirous of a settlement, it could not be with the Canton Government but must be with the strikers and people. The Canton Government could not aid and had no right to intervene as one of the principals."

Nevertheless, continued Mr. Wu, "seeing that the aim and object of the popular strike had been achieved as a protest against the British, and mindful of the fact that the Chinese both in Hongkong and Canton were suffering by the continuance of the strike and boycott, the Canton Government placed no obstacles and rather encouraged or welcomed all attempts put forth to bring about an early settlement between the two parties concerned. Unofficial pourparlers were entered into on the distinct understanding that:

1. The discussions between the Government and Hongkong would be informal and unofficial.

2. The Government was not one of the parties in the desired settlement which had to be effected direct between the strikers and the Hongkong Government.

Mr. Y. P. Law gave a brief address in which he expressed his high appreciation of the work carried out by those who had been in charge of the children and remarked that he had been highly satisfied during his inspection of the schools with the standard reached and the results achieved. Mr. Law also warmly congratulated the successful pupils on their work and concluded by encouraging all to endeavour to reach an even higher standard of success in the ensuing school year.

After Mr. Law had presented the prizes to the children, the programme was concluded with an amusing Chinese play which was thoroughly enjoyed and warmly applauded.

"HERMES" OFFICERS.

About twenty officers from H.M.S. "Hermes" were entertained to dinner at the Ritz Café on Saturday by the same number of ex-members of British air forces.

This was the result of the first public intimation being made a week ago of the departure of the "Hermes" to-morrow. Mr. W. J. A. Barton and Mr. W. Donald arranging this farewell function in the interval. The proceedings over which Mr. Barton presided were purely informal, the only toasts submitted being those of H.M. the King and the "Hermes."

The two suits, instituted by Mr. H. C. Norman and Mr. N. E. B. Ezra against the "China Press," Inc., for \$42,000 plus Tls. 20,000 and Tls. 70,000 respectively, were adjourned in the U.S. Court for China until April. The "Shanghai Mercury" informed that Mr. Ezra's case will be heard on April 6, and that Mr. Ezra will be represented by Mr. J. B. Davies.

MAKING MONEY.

SUZANNE LENGLÉ AS MANNEQUIN.

RETAINS AMATEUR STATUS.

London, Jan. 8.

The "Weekly Dispatch" says:

"Many have wondered how

Suzanne, Lenglen, whose parents

enjoy only moderate means,

is enabled to carry on without losing

her amateur status.

Now it is revealed that Suzanne

has become a mannequin in the

famous Parisian firm of Jean

Patou, which makes her two-piece

sports suits, sweaters, silk pleated

tennis costumes, scarves, evening

gowns and cloaks."

Jean Patou is doing a roaring

business in feminine sports clothes

because Suzanne goes everywhere

in the smartest society, and dances

herself to a standstill. Off the

courts she is a graceful figure,

and makes an excellent mannequin.

It is hoped that there is no tennis

law against the champion becoming

a mannequin, because her

father is still very ill. Suzanne

does much to keep things going."

CONSIGNEES' NOTICE.

Goods arrived port of "Bermuda" due

for delivery at 1st February, will be subject to rent.

SPANISH FLIGHT.

ATLANTIC AGAIN VIRTUALLY SPANNED.

A ROUGH WELCOME.

(Reuter's Service.)

Pernambuco, Jan. 30. The Atlantic has virtually again been spanned by the arrival at Fernando de Noronha, of the Spanish hydroplane piloted by Major Franco, which left Cape Verde this morning.

According to an earlier message, the weather gave the Spanish aviators a rough welcome at Fernando de Noronha. According to reports from the islands, Major Franco descended in the bay during rough weather and was still riding out the storm at 11 p.m. Boats failed to reach the hydroplane, owing to the heavy seas, and steps were being taken to get alongside with a raft the pilot's efforts will be made to reach spending the night on board. Further the craft in the morning. According to a radiogram, retransmitted from Madrid, the aviators had a thrilling experience and were forced to descend on to the sea. Ships hastened to assist but the craft will be able to resume the voyage. The airmen are expected to continue the flight to Pernambuco to-day.

ARRIVAL AT PERNAMBUCO.

Fernambuco, Jan. 31. After heavy seas had frustrated the first attempt the Spanish aviator Franco left Fernando de Noronha at three o'clock in the afternoon and arrived at Pernambuco at 4.45 p.m.

NOVELIST'S DEATH.

MR. W. L. GBORGE.

(Reuter's Service.)

London, Jan. 30. The death is announced of Mr. W. L. George, the novelist.

[Mr. W. L. George was born of British parents in Paris, on March 26, 1888. He was educated in Paris and Germany. He has contributed to most London publications and has been special correspondent of various papers in France, Belgium and Spain. Among his publications are: *A Bod of Roses* (1911); *The City of Light* (1912); *Israel Kalisch* (1913); *The Making of an Englishman* (1914); *The Second Blooming* (1914); *The Strangers' Wedding* (1916); *Blind Alley* (1919); *Caliban* (1920); *The Confession of Ursula Trent* (1921); *The Staff Lip* (1921); *One of the Guilty* (1923); and *The Triumph of Gallio* (1924).]

LATVIAN LOANS.

AMERICAN BANKS TO THE RESCUE.

PRELIMINARY AGREEMENT.

(Reuter's Service.)

Riga, Jan. 31. A preliminary agreement has been signed for the floating in America of a Latvian loan of ten million dollars at 7½ per cent. for the construction of new railways, harbour extensions, and industrial grants.

The loan will be issued through a group of American Banks, headed by the Guaranty Trust Company. The agreement provides for two further similar loans subsequently, totalling \$30,000,000.

DISARMAMENT.

UNITED STATES' FORMAL ACCEPTANCE.

NOTIFIED TO GENEVA.

(Reuter's Service.)

Geneva, Jan. 30. The U. S. Secretary of State, Mr. F. B. Kellogg, has formally communicated to the President of the Council of the League of Nations America's acceptance of the invitation to participate in the work of the Committee which is to prepare the Disarmament Conference.

ITALY'S CASE.

STUDENTS' DEMONSTRATIONS DISCOUNTED.

OFFICIAL DISAPPROVAL.

(Reuter's Service.)

Rome, Jan. 31. Official disapproval of the anti-German demonstrations in Florence and Rome is contained in an order issued by the Fascist Director forbidding Fascist students to participate on the ground that the Government does not need such manifestations, and that it is better to remain within limits and bounds.

COLOGNE FREE.

GERMAN TRIBUTES TO "TOMMY ATKINS."

LOCARNO SPIRIT ALIVE.

(British Wireless Service.)

Rugby, Jan. 31. The last Allied troops left the Cologne zone to-day, the evacuation being completed well within the time promised.

Many German tributes have been paid to the correct manner in which the British troops have conducted themselves during the occupation, and to the consideration and courtesy shown by them to the civilian population. The British flag was hauled down in Cologne yesterday.

The "Observer" to-day says: "We rejoice that the first zone is free. It is excellent testimony as far as it goes to the steady working of the Locarno policy. Sir Austen Chamberlain's visit to Paris has given another proof that Locarno is not forgotten and that its spirit is alive. In his speech to Amie de la France he insisted that the Franco-British Entente is valuable to both peoples as an instrument for the reconstruction of the European family. It implies and requires a wider partnership, into which Germany has now entered. The Germans have naturally reason to expect that the policy of co-operation, on which they have staked everything, shall not be stultified by failure on the part of other Governments equally pledged. We do not think that it will be."

SHIPPING DEAL.

27 MILLION MARKS FOR STINNES FLEET.

FLAG NOT TO BE CHANGED.

(Reuter's Service.)

Berlin, Jan. 30. The sum of 27,000,000 marks has been agreed upon as the price to be paid for the purchase of the Hugo Stinnes Fleet. Of this sum, 6,000,000 marks are payable in cash; and mortgages to the value of 21,000,000 marks, now held by Dutch capitalists, will be taken over by the new owners, the Deutsch-Australische Shipping Company and the Kosmos Company.

The vessels will continue to sail under the Stinnes flag. The liquidation of the Stinnes property is progressing. The sale of the Koholy Company to a British concern and the present fleet transaction will now enable the Stinnes family to continue their Muelheim coal business without outside assistance.

SERIOUS COLLISION.

BLUE FUNNEL "SARPEDON" INVOLVED.

RUN INTO BY CUNARDER.

(Reuter's Service.)

London, Jan. 31. A serious collision between the Cunarder ss. "Carmania," with several hundred passengers for New York, and the Blue Funnel ss. "Sarpedon," with 150 passengers for China, was narrowly avoided in the River Mersey yesterday.

The "Carmania" was proceeding into the river when she was carried by a strong ebb tide on to the "Sarpedon." She scraped the latter's side for a considerable distance.

The "Sarpedon" tilted over slightly, but her sides were not smashed as it at first appeared.

It is probable that the "Carmania" will be able to proceed on her voyage, but the "Sarpedon" was not permitted to sail. She has been removed to dock for a thorough examination.

COAL SUBSIDY.

OVER TWELVE MILLIONS PAID ALREADY.

(Reuter's Service.)

London, Jan. 30. The Mine Department states that up to January 30, \$12,184,000 had been paid in respect of the coal mining subsidy.

COBHAM'S FLIGHT.

ARRIVED AT BULAWAYO YESTERDAY.

(Reuter's Service.)

Bulawayo, Jan. 31. The British aviator, Mr. Alan Cobham, has arrived here.

NEARLY A RECORD.

AMERICAN AIRMAN'S FEAT APPLAUSED.

EVEN THE CLOCK FREEZES.

(Reuter's American Service.)

New York, Jan. 30. The supercharger of his machine had been functioning properly. Lieutenant Macready, who yesterday spectacularly beat the American altitude record, claims that he would easily have beaten the world record of 39,090 feet, established by the Frenchman, M. Calisse.

Lieut. Macready, who reached 35,900 ft. after 90 minutes' flight, reports that at 30,000 feet the temperature was -80° degrees Fahrenheit. It was so cold that the clock on the fuselage was completely frozen.

Failure to go higher was due to the supercharger apparatus, for supplying the pilot with oxygen in the rarefied atmosphere freezing.

Fortunately, Lieut. Macready retained consciousness and landed little the worse for his experience.

SOVIET DISPUTE.

A SETTLEMENT WITH AFGHANS.

(Reuter's Service.)

Paris, Jan. 30. The Soviet Ambassador announces that the Afghan-Soviet incident, mentioned on December 28, has been finally settled.

The Soviet has decided to withdraw its troops from the disputed island, in the River Oxus, and agreed to its provisional occupation by Afghan troops.

A mixed commission, presided over by M. Raskolnikoff, on behalf of the Soviets, will definitely settle the permanent ownership of the island.

[A cable from Allahabad, dated December 28, read: Newspapers at Kabul report that Russian troops suddenly and unprovokedly attacked and captured the Afghan post of Darkad in Badakshan and occupied the surrounding territory.]

GIRL'S SACRIFICE.

ADMIRAL'S DAUGHTER JOINS GANDHI.

"HELPING HER MASTER."

Miss Madeleine Slade, the daughter of Admiral Sir Edmund John Warre Slade, who became a convert to the doctrines of Mr. Gandhi, the Indian Home Rule leader, is now at his house or so-called refuge in Ahmedabad, whether the disappointed politician has retired to meditate, and where, because of domestic trouble, he has been fasting for a week.

Miss Slade has stated that she intended to devote her life and personal fortune to furthering the interests of Mr. Gandhi, whom she has described as her master. "She is here to give."

She spent a year in studying Mr. Gandhi's theories and doctrines before coming to India. The new convert is living in Mr. Gandhi's household studying Indian conditions, and when one of Mr. Gandhi's followers took advantage of her presence to ask for lessons in French he was taken severely to task by Mr. Gandhi, who said:—

"Miss Slade's sacrifices for the cause is greater than ours. She is here to learn and give all her time to the service of our people. Nothing which happens in her home will swerve her from her task here. French is a luxury. Miss Slade must not waste time in teaching, and you must not waste time in learning it."

Another English convert now in the Gandhi household is Mr. C. F. Andrews, a former clergyman.

"Well, I reckon I know speed when I see speed, and I'll bet ye half a crown ye was going faster'n the law allows," said the constable after some parley with Dobson.

"I'll bet you I wasn't," said Dobson, "and there's the money."

He paid the constable the half-crown and resumed his journey.

"There is something in this sporting life after all," chuckled the constable as he placed the coin in his pocket.

Mr. Hartley, a learned architect, was walking with his little son, Mustace. They met Mr. Crowton, a fellow-architect. The two men strolled along together, and to keep their minds in work, in time, Dobson had picked out the two and four qualities of the buildings they passed.

Presently, Mustace saw a dog, the Dalmatian breed, and his father, Mr. Crowton, took out his dog's coat like this: "There's too much work on him."

LONDON GINGER.

M. Y. SAN JACINTO TAKEN OVER.

NEW COMPANY FORMED.

(Reuter's American Service.)

The China Ginger Preserving Co. Ltd. has taken up the Ginger Preserving Department of Messrs. M. Y. San & Co. and will strive further to extend the distribution of the products previously so popular under the former Company's name. A large business has been built up in Europe, America and Australia and it is the intention of the new Company to make every effort to increase local and overseas business.

At the Wembley Exhibition (1924) the quality of these products was most favourably commented upon, as well as the excellent colour and taste. Expert supervisors have been put in the factory as to take every care in the selection of best ingredients for the preserving of the ginger. All the expert preservers who worked in the M. Y. San's Ginger Factory have also been secured by the new Company.

The business is under the management of Mr. H. Y. Chan, formerly Manager of the M. Y. San's Ginger Department, who has more than twenty years' experience in this line of business.

What is intended to be an annual feature of the local activities of Freemasonry was inaugurated at St. John's Cathedral yesterday evening, the Bishop of Victoria (the Rt. Rev. C. R. Duppuy) who is the District Grand Chaplain, preaching a special sermon on Freemasonry to over two hundred Masons.

The procession, which robed in the Hall, consisted of the Hon. Mr. P. H. Holyoak (District Grand Master), supported by Mr. J. Owen Hughes (Deputy Grand Master), with the clergy bringing up the rear. Those taking part in the service were the Bishop of Victoria (The Rt. Rev. C. R. Duppuy), Rev. G. T. Waldegrave and the Rev. G. E. S. Updell.

The Bishop, in his sermon, emphasised that Masons were members of a society of friends, links in the great world brotherhood. Such brotherhood was subject to the decay of time but the hopes of each should be set on a timeless fellowship; they should look not at the things that are seen but at things eternal.

All the world's great workers—the revealers of nature—the artists—the thinkers—taught us that in giving of their service abundantly, good measure, pressed down and running over, lay the beauty of their lives and the secret of their service.

We were called to be apprentices, assistants, craftsmen, to help the great Master in His stupendous task of creating a new world, a world of beauty and righteousness, of purity and of brotherly love.

We lived in no static world and we were each one to take our place in the great world-life; to add to the life and well-being of the world and prevent loss and waste and dissipation.

The Bishop concluded by quoting the words of an old hymn, dating back to the 7th century, which had been sung by brother Masons at the dedication of the Chapter House of Liverpool Cathedral.

FRIGHTFULNESS.

ROBBER RUSE THAT FAILED.

"INDIANS ARE COMING."

A ruse adopted by a gang of three Chinese who broke into the house of a widow at Kowloon City last night by asking the woman to keep quiet as "the Indians are coming"—whatever that may mean—failed, as she promptly blew a police whistle.

Discarding a torch which one of them was seen to carry in his hand, the gang bolted without taking anything.

MONEY GONE.

LOSSES DURING THE WEEK-END.

A Chinese shopkeeper of No. 153, Reclamation Street has reported that an employee absconded yesterday with a sum of \$3,050 extracted from a safe by means of a duplicate key.

Another report is that the partner of a Chinese travelling trader collected \$945 from a fruit stall at the Central Market and disappeared with the money yesterday.

Loss by theft early on Saturday morning of money and property assessed at \$343 has been reported by a Chinese woman residing at No. 103, Queen's Road West.

STAR THEATRE.

TO-MORROW'S EXCELLENT ATTRACTION.

Hongkong: Theatre-goers are again reminded that Dick Norton and his versatile troupe—The New Globe Trotters—open at the Star to-morrow for a short season of three nights. They bring with them the very latest in songs and dances. The sketches are original and patrons will be assured of a first-class entertainment.

In order to avoid disappointment and as was the lot of many when the Russian Opera Co. was here, the management advise early booking. The "Plans" are now open at 10s. 6d. and 12s. 6d.

Mr. Hartley, a learned architect, was walking with his little son, Mustace. They met Mr. Crowton, a fellow-architect. The two men strolled along together, and to keep their minds in work, in time, Dobson had picked out the two and four qualities of the buildings they passed.

Gilbert & Sullivan's opera "The Mikado" was given in Manila last week by the youthful choristers of the Ateneo. The performance was a great success.

It is ordered that the provisions of the Rents Ordinance, 1922, Ordinance No. 14 of 1922, shall not apply in the case of the domestic tenement known as No. 180, Temple Street, ground floor, standing on Section C of Kowloon Inland Lot No. 60.

The Government is calling for tenders for repairs to Steam Launches No. 7, No. 9 and No. 11 Police, for the purchase of Nos. 4 and 5 Land Steam Fire Engines, for old packing cases and for repairs to the sea wall foundations at Queen's Pier.

By the courtesy of the U.S. army, all the other berths at the piers being full, the s.s. "Taiping," which reached Manila from Hongkong en route to Australia, docked at pier 1. The reception given on board the vessel to celebrate her maiden voyage was well-attended and the splendid vessel was admired by connoisseurs and laymen alike.

Manila and the Philippines have before them the first really concrete proposals for providing an aerial mail and passenger transportation service linking them with the rest of the Far East. The First Dutch Air Company, through its local representative, J. Brockman, Jr., who is now in the city, is making the offer through local authorities.

For the safety of valuable government documents in the bureau of lands, the bureau of public works, Manila, in accordance with the new public works appropriation, soon will advertise bids for the purchase of fireproof filing cabinets and reconstruction and improvement of the vaults. The sum of P40,000 has been released with the approval of the governor general.

The Canadian Pacific Steamships contemplates building three liners to replace older vessels taken off the Canadian service this summer, such as, the "Marloch," "Marburn," and "Montreal," states President E. W. Beatty. The three latter ships will be sold and the new boats will likely be similar to the "Montrose" and "Montcalm."

An inspection party of eight Japanese representing the Osaka Municipal Educational Bureau was due to arrive in Hankow sometime last month. The travellers were to inspect the various educational institutions in Wuchang and Hankow, and to investigate the current movements among the students in the interior.

Several Japanese fishermen were drowned off the Bachi channel, northern Luzon recently, according to a constabulary report from the provincial commander of Batanes Island. A Japanese search party aboard the steamer "Oshima Maru" landed at Basco, capital of Batanes Island on January 18, following their failure to locate the whereabouts of the fisherman's bodies, the report adds.

The Chinese Government Salt Revenue has finally appointed Mr. W. H. Chien and Mr. E. M. Gale auditors of the Audit Office for East Hupeh located in Hankow. The appointment was made by the Chief Inspector of Salt Revenue in Peking. This settles the outstanding dispute between the local Government and the Salt Administration in Peking.

Messrs. Vernon & Smith in their weekly share report state—

During the fortnight under review the volume of business transacted at the Local Share Market has been very small; there has been a little enquiry for odd packets of "Investment" stocks which have changed hands at prices and show little change; other stocks generally have receded slightly since our last, sellers predominating with practically no business to record. The market closes weak.

Sixty new American teachers will be recruited in the United States this year to replace those now serving in the Philippine Bureau of Education whose contracts are expiring, according to an announcement by Vice-Governor Gilmore. Most of these new teachers are to be selected for special qualifications to teach English, it was stated. While the universities and normal schools are gradually increasing their output of teachers, there is still a lack of available instructors of correct English in the public schools. This will make it necessary for the Government to continue bringing teachers for some time yet, it is said.

The engagement has been announced of Miss Theresa Higginson, of Lenox, Mass., and Count Ruelati, of an ancient Florentine family.

ENGLISH FOURTH ROUND RESULTS.

HOLDERS LOSE AT HOME.

Saturday must have been a great day for soccerites at Home. It was the fourth round of the English FA Cup, the glamour of which cannot be described, except that there is nothing like it.

Sheffield United, the holders, were knocked out playing before their own supporters. Cardiff City, great Cup-fighters of post-War years, and last season's runners-up, also went down on their own ground.

First division teams like Liverpool and Birmingham lost to so-called smaller fry.

Aston Villa, always renowned for the Cup prowess, went to West Bromwich and beat their neighbours—both senior division teams. Two other "big" teams disappointed, Bolton and Bury only drawing. Blackburn and Huddersfield lost to other division I clubs.

Fulham, Clapton Orient, Crystal Palace and Millwall are among the "lower" London teams to come through with credit.

Results (home team given first) follow:

"WHITE" WINGS."

WIND AGAINST RACING YACHTS.

Owing to there being hardly any wind on Saturday, the championship races held by the Yacht Club were not a success.

The course for all classes was from the Club to North Fairway buoy, back to the Club line, up to Kowloon Rock and back to the Club, a little over 10 miles. There was a good breeze blowing an hour before the start, but it gradually went down and it was mainly tide which helped the boats back down the harbour to the Yacht Club. The course was shortened by cutting out Kowloon Rock.

Coleen won in the Handicap class, followed by La Linda and Argus. In the Gaeil and One Design class, Daphne won from Ailsa with Gaeil third. Boojum was an easy winner in the Heyward-Hay class with Why Wonder? second and Bluenose third.

HUNT ENTRIES CLOSE.

Those interested should remember the entries close on Friday, Feb. 10, at 12 noon, at the Royal Hunt Club, 10, Gloucester Place, London, W.1.

POLO GYMKHANA.

PRINCE GEORGE TAKES PART.

CUP MATCH DRAWN.

H.R.H. Prince George took part in the gymkhana arranged by the Polo Club, at Causeway Bay, on Saturday.

A large crowd turned out to watch some interesting events.

The final in the K.O.Y.L.I. polo cup, Club Civilians v. Royal Navy, was drawn.

In getting over a hurdle in the obstacle race, a rider was thrown down, but fortunately escaped injury. Com. Brodley who came first in this event was disqualified owing to an error.

The teams in the polo match were:

Civilians.

Mr. Pollock Com. Brodley.
Mr. Bartholomew Lt. Com. Thompson.
Mr. Stanton Lt.-Com. Spragg.
Mr. Macnamara Capt. Sturges.

The result was a draw of three goals each. An extra chukker was played. H.E. Major-General C. C. Luard, C.B., C.M.G., (G.O.C.) acted as umpire in the match. It is understood that a replay has been arranged for next Saturday.

A pleasing selection of music was supplied by the band of H.M.S. "Hawkins".

At the conclusion of the sports, Miss Stirling gave away the prizes to the successful competitors.

The winners were as under:

HONOURS EVEN.

HONGKONG "CAPS" HELD BY CHINESE.

EXHIBITION SOCCER.

Hongkong's "Interport" soccer team—which will represent the Colony this month at Shanghai—played an exhibition game, on Saturday, with the Club ground, on Saturday with the South China eleven and by no means distinguished itself, each side getting three goals.

Incidentally the Chinese lost their custodian but they seemed to play even better when "at bay." A large crowd turned out but the football was not very convincing.

His Excellency, in returning thanks for the honour, expressed appreciation of the Club's welcome. He spoke of the time fifteen years ago when he last went round those parts in the company of Mr. Hallifax, who had been commissioned to find an ideal place for a golf links. There was then no clubhouse with wonderful good tiffins and they had to take their own sandwiches, which they ate on the hillsides, near where was now the hole known as "The Gem." He thought it was quite likely that Lady Clementi and himself might fall easy prey to the germ of which Mr. Hallifax had spoken.

During the afternoon the A.P.C. (T. D. E. Pendered and W. Butterfield) beat Butterfield & Swire (H. U. Ireland and W. Ironside) by 4 up and 3 to play on equal handicap, in the final of the Governor's Shield presented for inter-club competition by Sir R. E. Stubbs.

This shield was handed over by Lady Clementi who also gave away other trophies, as follow:

Jasper Clark Cup—A. H. Ferguson.

Captain's Cup (1925)—J. M. Walker.

Championship—H. U. Ireland (winner); W. Douglas (runner-up).

In the junior championship—D. J. Valentine beat W. J. Clark, 1 up.

A. O. Brown beat J. S. Forsyth, 9 and 7 to play.

A. D. Humphreys beat J. W. Franks, on the 19th green.

T. Ramsay beat A. K. Henderson, 1 up.

A. W. Shovelton beat T. S. Whyte-Smith, 2 up and 1 to play.

T. C. Monaghan beat A. Sommerville, 3 up and 2 to play.

J. Hooper beat J. Smith 4 up and 3 to play.

G. B. Layton beat D. M. Goodall, 6 up and 4 to play.

South China—Lau Hing-cheung; Ng Kam-chuen, Lai Yuk-tat; Leung Yuk-tong, Wong Shui-wa, Lam Yuk-ying; Ko Sik-wai, Leung Wing-tak, Wong Pak-chung, Chan So, Chan Kwong-iu.

Reference—Mr. Matthews.

Matches were played in the junior division of the league. There was also a shield tie, Kowloon Reserves, bringing off a creditable surprise by defeating the doughty Chinese "A" team, after extra time in replay.

The junior games resulted:

FANLING ACTIVITIES.

There being no league match on Saturday, six friendly games were played. With the exception of the trial on the Club ground, a decision was reached in all the games.

On the Craigengower ground, Balhatchet (University) retired with 128.

SELECTED XI v. THE REST.

The trial for the double object of selecting a representative standing team in the Colony and discovering fresh talent provided interesting sport to those who were attracted to the Club ground. The match ended in a draw.

Slight changes were made in the teams originally chosen. Capt. Lake and J. C. Lyal played for the Rest XI in place of Lt.-Col. Cantrell and E. G. Lammett. The last named took the place of Owen Hughes in the Selected XI.

Evenly contested, there was from an onlooker's point of view little to choose as to which was the better side. Both teams were equipped with batsmen of renown, and once more the uncertainty of cricket was demonstrated by the early dismissal of many of them.

The balance was maintained by Ramsay (K.C.C.) and Bridgland (R.E.) of the opposing factions each scoring 50, the highest for each time.

During the afternoon the A.P.C. (T. D. E. Pendered and W. Butterfield) beat Butterfield & Swire (H. U. Ireland and W. Ironside) by 4 up and 3 to play on equal handicap, in the final of the Governor's Shield presented for inter-club competition by Sir R. E. Stubbs.

It is not only waste of money,

SEAMAN EWIN TAKES
BELL HOME

SATURDAY'S BOXING

Winning for the second time in
succession on Saturday night,
Able Seaman Ewin made the Scott
Harston belt (for the welterweight
boxing championship of the
Colony) his own property and
taken it home with him on the
departure of H.M.S. "Hermes."

He scaled 145 lbs. as did
S. P. O. Jim Cartilage, the light-
weight champion of Hongkong.

Jim gave a splendid display but
was kept from in-fighting and
seldom looked like winning.

It was an open fight mostly,
Ewin's superior height and reach,
coupled with his knowledge of the
game, standing him in good stead.

It was clear from the beginning
that whatever were Cartilage's

feelings in the matter, there was to
be little work at close quarters so
far as Ewin was concerned.

The boxers did not open up
until near the end of the
opening round and then

Cartilage carried the fight to Ewin,
rushing in and landing with both
left and right. Ewin once got
Cartilage to the ropes but the
lightweight champion cleverly eluded
him and was a trifle ahead at
the close.

Cartilage Down

The second round saw Ewin
making use of the ring in avoiding
Cartilage's lightning rushes and
countering effectively with which
ever hand was most available.

Cartilage's ring craft was standing
him in good stead but he stopped

a short one in the third which occasioned
him an eight seconds rest.

In the fourth Ewin made the going
going, doing enough to justify a
small margin of points in his favour.

Cartilage provided a few bright
spells in the fifth and four times in
succession he connected to the
chin with right swings. Ewin was
not troubled much and he came up
for the sixth to box even better
than before. Cartilage missed
badly and ran into a straight left
which pulled him up short and he was mainly intent for the
remainder on ducking his opponent's
leads. Cartilage's defence was cer-
tainly excellent.

Ewin Ahead in Seventh

Ewin was forcing his man to box
and by the seventh round had gone
ahead on points. The physical ad-
vantages of the "Hermes" boy were
proving too much for Cartilage
whose principal efforts came when
he had cleverly caused Ewin to miss.

The eighth and ninth both went to
Ewin by a shade. He was doing
all the leading and was showing no
signs of wear and tear.

Cartilage improved in the
eleventh but he was fighting des-
perately, so to speak, and at no
time assumed the initiative.

Emmerson brightened up after

the rest and punching freely with
the rest and punching freely with
both hands stored cleverly to the
face. Baker was, however, very
persistent and his straight hitting
proved very troublesome. There
was little in it up to the tenth and
both went for a final effort with-
out making much impression.

An Excellent Effort.

In spite of clever footwork, and
nice crisp hitting when given the
opportunity, A. B. Jackson (141
lbs.) was no match for P. O. Mitch-
ell (146½ lbs.). Jackson put up a
splendid display against a far
more experienced man and in the
sixth round the "Concord" fighter
connected with both left and right
and Jackson took the full count.

It was Mitchell's first appear-
ance in the Hongkong ring and
he quickly demonstrated that the
right-hand lead of his opponent
was no real handicap.

Jackson bore up well in the
opening stages while Mitchell box-
ed strongly and scientifically.

In the fourth round Jackson
showed up at his best. He fol-
lowed up his nippy right lead and
Mitchell was forced to give
ground under the pressure.

Mitchell's experience and obvious
advantages prevailed in the fifth
and sixth and a couple of heavy
punches in the fifth left Jackson
a comparatively easy mark when
the men faced for the last time.

Mitchell forced Jackson on to the
ropes and knocked him out with a
right hook to the point. Jackson
put up a splendid show and re-
ceived quite an ovation on leaving
the ring.

Bowles Beat Rogers

Drummer Bowles (125 lbs.) fought
exceedingly well to repeat his former
success over Signalman Rogers (122 lbs.). At one period
the latter appeared likely to im-
prove upon his previous effort, but
heavy punishment in the third and
fourth rounds decided him to throw in the towel.

After an unenterprising first
round Rogers went in to mix
things in the second and for a
while he appeared to be having
the better of a brisk argument.

Bowles came up strongly in the
third and his left lead and right
cross soon had Rogers in diffi-
culty. Rogers was groggy at the
end of the third and it was evi-
dently impossible for him to last
out. He fought through the
fourth and then conceded the de-
cision.

Much Give And Take

The ten-rounds contest between
L/S Baker (137 lbs.) and L. Tel.
Emmerson (136 lbs.) panned out
just as expected. The decision
at the close was a draw and on
the whole it was a just verdict.

The men went to it from the
start and though it had been re-
ported that Baker's right hand
was damaged, he very soon forgot
the injury and exchanged blow
for blow. The bout was much the
same thing round by round.

Hard hitting in the first five
rounds made both tired. In
the sixth Baker rocked his op-
ponent with a heavy right and the
round went in his favour.

Emmerson brightened up after

the rest and punched freely with
both hands stored cleverly to the
face. Baker was, however, very
persistent and his straight hitting
proved very troublesome. There
